Principal's Report

SCC Meeting Jack Kemp Community School

April 16, 2014

- Wonderful job SCC for a successful fundraiser and many great initiatives at our school.
- Track and Field Date set for Friday, May 30th with rain-out day being Monday, June 2nd.
- Boys' Empowerment Group Gr. 4-6 being held each Wednesday at noon until June. Thank you to the Lloydminster Sexual Assault and Information Centre for leading this.
Topics: 'Boy Code', self-esteem, healthy relationships, etc.
- Drama Night this evening at 6:30 p.m.
- Character Assembly Thursday, April 17th at 10:30 a.m. Also Beach Dress-up Day.
- May 9th City-wide Safety Patrol Lunch.
- Improved Attendance Record Follow-up
 - Teachers would support a class reward each month for overall improved class attendance (this would be calculated factoring out unique situations...e.g. a student being out of the country).
 - Teachers would also support individual recognition for students with improved attendance and/or fewer lates. The consensus is that this should be recognized on an individual basis considering the student's individual situation and to determine an appropriate reward. The celebration might be something like special baking time.
 - For those students who may benefit, teachers would support having a supply of inexpensive alarm clocks. Teachers and administration would decide on a case-by-case basis who would benefit.
 - Overall, the SCC could support this initiative by setting aside a small budget for the purchase of rewards such as baking supplies and books, as well as purchasing a supply of alarm clocks (perhaps 10 to start)
