1 We are still looking into the "Just a Bear" books for the kids...as to what to put them into. The books themselves are \$10.00/book. They are to welcome new students, encourage reading and honour Jack Kemp. We believe we need around 80. Ann is away till the end of April and will confirm quantity when she returns from holidays. We need to discuss the packaging of the book.

2 We still need to come up with some ideas as to how the SCC can help to improve the needs of the students and teachers here and also for attendance.

3 Let's talk about the fundraiser!!! The DFL books are on order and we need to discuss ideas of the garage sale and any other fundraiser we can come up with.

4 It has been proposed to keep the old popcorn machine as the new one does approximately 6 bags and the old ones does about 4. And our popcorn sales do so well.

Dear Principal, Students and Staff of *Jack Kemp Community School*:

The 33rd Terry Fox Run was a wonderful success in Canada and around the world, raising close to \$25 million, a gratifying increase over the previous year. Thirty-three years, thirty-three Runs...Terry's remarkable legacy is now sustained by Terry Foxers in thirty-one countries around the globe.

We entered the week of the 2013 Run on a high note with the news the prestigious New England Journal of Medicine was reporting very encouraging results from the Terry Fox Lung Cancer Study. The study findings are a significant breakthrough for the early detection of lung cancer, using low-dose CT scans, among persons at high risk. Earlier diagnosis means a better chance of surviving this deadly cancer. I cannot imagine anything that would make Terry happier.

Over the years, Terry has received touching tributes that have included the naming of schools, mountain ranges, icebreakers, statues and coins. I am always impressed and inspired by how much our young Terry Foxers know about Terry and his philosophy. You know that my son did not embark on his 1980 Marathon of Hope for accolades, rewards or recognition. What mattered most to Terry was simply that people gave to cancer research.

Terry would be so proud to witness Canadians like the wonderful community at *Jack Kemp Community School* who bring great honour to the work of The Terry Fox Foundation. I wish I could meet every one of you, to shake your hand and personally thank you for the difference you make in the lives of so many. Terry made me a proud father - you make me a very proud Canadian.

With heartfelt thanks,

Rolly Fox
