Congratulations to Desarae on becoming our vice chair.

Whole-school kindness and generosity initiative. Check out our acts of kindness tree in the entryway. An example of a class success - a grade two class delivered Valentines to residents in our neighborhood. Another class visited the Pioneer Lodge to deliver messages.

Operation Kindness Kids' Conference on Thursday. There are events for students to try new things and to experience 'mastery' in everything from archery to card-making.

JK Reads was a tremendous success! Thank you to the Hozacks and the Tent Guys for arranging for our Bouncy House Carnival to wrap up our final reward. Thanks for supporting this initiative at home.
