Community School Coordinator Report- SCC Meeting May 21, 2014

- Family Pot luck April 30th, we had five Jack Kemp families in attendance. Thank you SCC members for sharing your time with us.
- Twenty-two Karate members enjoyed a pizza party with their favourite Karate master Darren Richter and Mrs. Oestreicher was a great help too.
- Kids in the Kitchen running Mondays and Fridays for Grades 5 and 6 had wrapped up with a take home cookbook supplied by Mrs. Haugen.
- Cultural Club wrapped up with twenty-four Grade Ones enjoyed making a paper bag Piñata and singing the Piñata song. We are very grateful for the support of the core group of volunteers from Grade 5 and Grade 6 classes.
- Heather at the Lloydminster Sexual Assault Centre had to postpone their workshop scheduled for May 5th due to lack of interest. We hope to reschedule again in June.
- Miss Nordby's Grade 5 class finally took in their first prize Wii bowling prize at Border Bowl for a game of Glow bowling. Twenty-seven students participated in the event.
- Boys Empowerment group began April 9th, snacks and juice boxes were supplied.
- Native Friendship Centre's Camille and Andrea had joined Ms. Perry's and Mrs. Oestreicher's classes in learning how to make dream catchers and its history.
- Triana Usemahu had been volunteering in Mrs. Oestreicher's and Ms. Perry's classroom. She has been assisting students with reading and math on Tuesdays and Wednesdays for an hour.

We had encouraged her to seek out the SCC for more opportunities to be involved in and Community School to share a recipe from her native land Indonesia. Were very excited and happy she feels comfortable in helping out at Jack Kemp.

- Safety Patrol luncheon hosted by Lloydminster Kinsmen Club at Bud Miller Park was a very special treat. They served bbq hot dogs, juice and cookies. All patrollers received a cup and pen as a special memento of this experience.
- AMA Safety Patrol Training for the next school year had begun. We were introduced with a new procedure that ensured continued safety at the crosswalk. With the addition of "double check" gives the opportunity to always make eye contact with drivers entering the crosswalk area. With twenty-one in attendance and five new recruits to begin next month, will ensure our teams will be ready to go in September.
