- Subway lunch was held today. It went very well as Subway was very organized in how they sent the subs – it was sorted by room number and order sheets were attached to the subs. The Subway closest to Walmart gave us the best rate.
- Outdoor School Room/Sitting area – Mrs. Gordon is meeting with her contact next week to discuss costs and plans, she will let us know the information as soon as possible.
- LPSD Track Meet is June 5, please contact Heather Gerlinsky or Mrs. Kettle to sign-up for a shift. The SCC has 2 large white coolers to use for this.
- Still working on the possibility of a popcorn sale in June. No dates have been set.

#### 8. New Business

- Elizabeth C., Stephanie and JJ will help with handing out freezies at the end of the school day for the Gr. 3-6 Track and Field Day instead of having it as a station during the day.
- The Flouride Program will not be shipping to Canada anymore. We will use up the product we have and try and find a new distributor/supplier over the summer.
