- Stand alone basket ball nets start at \$1100 - \$2000+, ball return thing \$1000-\$1500 maybe, How much do we want to spend???, Still have the \$10,000 that has been saved over the years. Playground upgrade is looking to be around \$3000.
- Cross country skiing equipment – We have some but kids are growing too fast so hoping to get about 10 more pairs. As school have been planning to build them up over a few years.
- Donation Money was used towards the kick sleds & snow shoes. Have been delivered.
- Google drive – Heather wanting to know if anyone wants to sign up for administrator with her. Christy talked into it.

7. New Business

- Online Bingo at Easter : suggested by Elena (myfreebingocards.com) watched video presentation; Do we want to do something like this? How would we do prizes? (Give students name?? or have prizes available at the office or send home with students) We can also run directly through the school with our own equipment and cards... Trick will be how to track when a BINGO is called. Possible to do around end of April. Need tracking system and time to quarantine. Will discuss more during the March Meeting. Elena motion for Spring family Bingo on April 22nd, done through school bingo zoom. More details to come.
- Put a call in to division office about ball sorter and basket ball net – Motioned to table the purchases until next month by Elena 2nd by Christy.
- STEAM Boxes are made up by Erica Garret – 2 boxes K-3; 2 boxes for 4-6 only thing that needs to be added is water. Some supplies were purchased so roughly \$25/box needs to be paid back.
